# ***6.OUR ADVANTAGES***

## EXPERIENCE

9 years of production experience, the product has been optimized and upgraded many times, has been inspected by domestic and foreign customers for a long time, and the quality is stable.

## TECHNOLOGY

Has many technical talents, all workers are strictly trained, focusing on quality, details.

## PRODUCTION LINE

OPPAIR has its own sheet metal cutting, bending and welding production lines. The quality of sheet metal can be fully controlled by itself, and each air compressor is produced strictly to high standards.

## ADVANTAGE

## STRICTLY CONTROLLED

Professional quality inspectors strictly control each link to ensure that every detail is implemented to high standards.

## QUALITY

Cooperative suppliers have strict quality control, complete certificates, and reliable quality.

## STRONG R&D CAPABILITY

The dedicated R&D team is committed to making air compressors more energy-efficient, more efficient, longer-lasting, and more competitive. OPPAIR provides customers with high-end products that lead the industry.

## COMPLETE INTERNATIONAL CERTIFICATES

**OPPAIR has CE ISO TUV SGS ASME, complete certificates, trustworthy, in line with EU standards.**

**EXPORTED 100+ COUNTRIES**

## COLOR CUSTOMIZATION

The colors can be chosen: blue, white, yellow, dark gray, light gray, black, orange, red, beige, etc., which can be combined on their own.

## DESIGN CUSTOMIZATION

The design of the production appearance can be customized according to customer requirements.

# LOGO

## LOGO CUSTOMIZATION

According to the customer's requirements, the customer's own logo can be pasted on the air compressor.

## CONFIGURATION CUSTOMIZATION

We have our own standard configuration, if customers want to use other configurations, we can produce.

## VOLTAGE CUSTOMIZATION

The voltages we can produce are:  
380V/400V/415V 50HZ 3P,  
220V/380V/440V 60HZ 3P.  
Other voltages can be customized production.

# AFTER-SALES SERVICE

### SPARE PARTS

03

OPPAIR Compressor and local dealers or dealers guarantee the availability of all necessary relevant original spare parts (wear parts, wear parts, and critical components) to help support our customers in the timely repair and maintenance of their equipment.

- We recommend stocking enough consumables and consumables to minimize system downtime and subsequent production losses.
- A list of consumables and consumables will be provided to the customer (half a year/1 year/2 years).
- Air compressor oil is not included in the list, OPPAIR will provide customers with the type of oil that can be purchased locally.

### TECHNICAL SUPPORT

04

OPPAIR provides 7/24 technical support to customers, if you need technical support, please feel free to contact us, we will assign you the most suitable technician for your market, we have English and Spanish technicians.
